

### Frequently asked questions –FAQ's

**Q: What is Effi-cycle event?**

**A:** EFFI-CYCLE is an initiative of SAEINDIA Northern Section with the objective of providing an opportunity for the students, to explore the “Environment Friendly and Economical” solutions for the day-to-day mobility needs of people. The event task is to conceive design and fabricate a prototype of a three wheel configuration vehicle, capable of seating two passengers and powered by human and-electric hybrid power.

**Q: When and where it is scheduled to happen?**

**A:** Effi-cycle is conducted annually by Northern section. This year event is scheduled from 9<sup>th</sup> to 13<sup>th</sup> October 2018 at Lovely Professional University (LPU), (Punjab).

**Q: Who can participate in EFFICYCLE?**

**A:** Participation is sought from SAEINDIA Collegiate Clubs across the country. Team members must be enrolled as degree seeking undergraduate or graduate students in same campus of a college, institute or university situated in India. Team members who have graduated during the seven (7) month period prior to the last date of competition remain eligible to participate.

**Q: What are stages of event?**

**A:** Students have to work in a team to take part in various events aimed to judge the design, cost, marketing potential, technical parameters, safety, dynamic characteristics and durability of the vehicle. Participation in the event is a two stage process:-

- 1) College level assessment
- 2) Main event

The team that achieves the highest cumulative points in all parts of the main event stands out as the winner.

**Q: How to reach event location?**

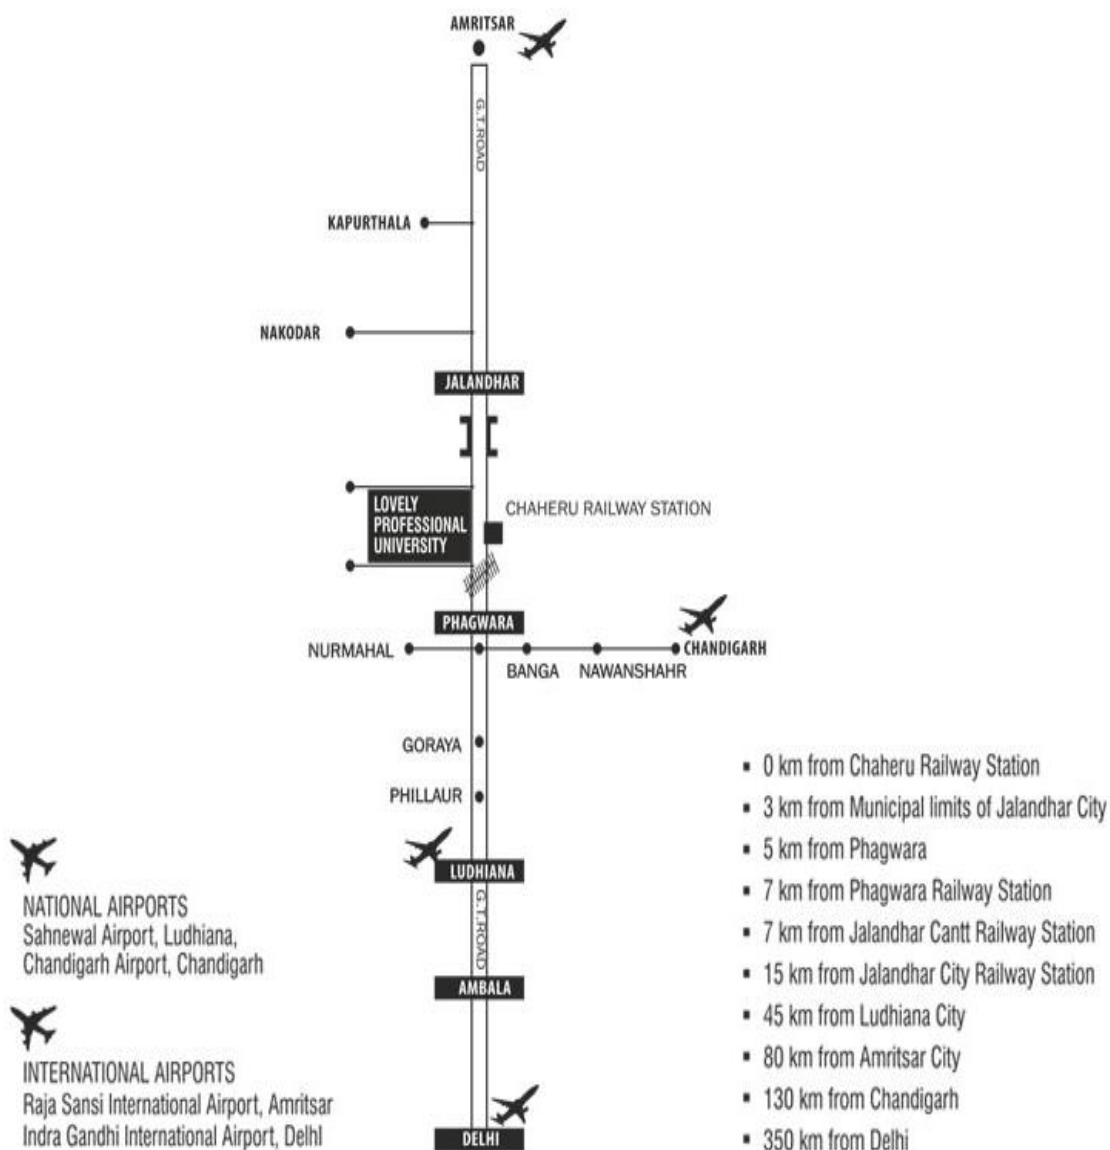

**A:** Event location (Lovely Professional University) is easily accessible as it is located on the Jalandhar-Delhi G.T. Road, (Punjab) and is well connected by rail and road; having a reasonable distance from the airports, bus stands railway stations etc. For further details see below shared map.
